

The endless work lights...

GL-06

LED WORK LIGHTS

Last Forever!

The new 3-in-1 ultra thin & compact inspection light for difficult to reach & narrow workspaces

Worklight, inspection light and spotlight all in one

12+ 1 SMD Light

- a. Powerful 12 SMD light bar with a spread of upto 120°
- b. 1W SMD Top torch for focused illumination

Light Output

Super slim light offers high quality output as both worklight and spotlight

Smart design ensures user controlled output. Adjust light intensity from 0-400 lumen by simply rotating the knob as per need

Sturdy Construction

- a. Impact proof ABS body
- b. Sturdy polycarbonate lens to withstand the toughest of job site conditions

Compact Folding Design

Fully folded the lamp is reduced to a pocket sized worklight

Hands Free Operation

Three super strong magnets on sides and rear end help affix the light on any metallic surface leaving both hands free

Power Source

RECHARGEABLE BATTERY
3.7V 2000 mAh

Charging of Battery

In-built micro USB charging port protected by rubber bezel

Comes complete with 5V braided USB cable

NEW!

CE RoHS IK07
